

Medicaid to Marketplace Bridge

Federal Public Health Emergency (PHE) Declaration currently set to expire on July 24 – likely to be extended

C4HCO Policy, Product Development, Legal, Operations, and Communications have started internal planning discussions

C4HCO plans to conduct outreach to terminated Medicaid beneficiaries that may be eligible for exchange coverage

Volume, timing and specificity of outreach dependent upon data from HCPF

Enrollment estimates dependent on level of detail in data from HCPF

C4HCO Leadership communicating regularly with CMS

Medicaid to Marketplace Bridge

Meeting with HCPF team to discuss bulk terminations on July 13th

Goals for this meeting include:

- Confirm PHE extension date and communication expectations if date changes
- Discuss verification requirements, and how verifications may impact beneficiary termination dates
- Coordinate timing and detail of data sharing between HCPF and C4HCO
