Have healthcare coverage, but not through any of above	15.47%	5.06%
*Medicare or Medicare Advantage	N/A	12.15%
*Veterans Administration (VA) or TRICARE	N/A	1.01%
I don't have health insurance coverage	<mark>19.33%</mark>	<mark>44.68%</mark>

* Medicare, VA and TRICARE were included in "have health care coverage but not any of the above" in the July survey.

If you are currently uninsured, or anticipate being uninsured, do you plan to:

	July 31 (5,000+ respondents)	November 9 (800 respondents)
Purchase coverage through Connect for Health Colorado	8.92%	8.65%
Purchase coverage directly from a health insurance company	2.70%	.86%
Apply for coverage w/Health First Colorado (Medicaid)	<mark>20.0%</mark>	<mark>36.02%</mark>
Apply for coverage w/Child Health Plan Plus (CHP+)	<mark>.99%</mark>	<mark>.86%</mark>
Get covered through my spouse's health insurance	1.71%	.29 %
Under 26, get covered through my parent's health insurance	0.09%	.29%
Get covered, but not through any of the above	4.95%	4.32%
Other	14.50%	8.65%
Go without health insurance coverage	<mark>46.13%</mark>	<mark>40.06%</mark>

✓ All that apply: Why are you planning to go without coverage?

Can't afford the monthly premiums: 82.63%

Can't afford the copays, coinsurance, other out-of-pocket costs: 40.12%

I don't think I will be out of work (without healthcare coverage) for that long: 3.56%

I do not think I need health insurance: 4.79%

Affordability is the clear issue
