

Marketplace Impacts of the House Budget Reconciliation Bill

1. Coloradans getting financial help are already expecting to see average premiums increase by 104% due to the expiration of the **enhanced premium tax credits**.

Coloradans would lose a total of **\$328 million** in tax credits per year.

Potential Coverage Loss: 52,000 customers

Coverage Loss

2. If **silver loading** ends, financially assisted Coloradans will see their average premiums increase by an additional 39%.

Coloradans would lose an additional **\$200 million** in tax credits per year.

Potential Coverage Loss: 26,000 customers

Coverage Loss

3. **New verification requirements** will result in delays in financial help for thousands of Coloradans.

Coloradans would lose an additional **\$68 million** in premium tax credits due to delays from verification requirements.

Potential Coverage Loss: 23,000 customers

Coverage Loss

4. New **restrictions against immigrants** receiving the premium tax credit will result in thousands of Coloradans losing access to affordable coverage.

Almost **7,000 Coloradans** will lose their financial help due to new restrictions against many lawfully present Coloradans.

Coloradans would lose a total of **\$24 million** in premium tax credits per year.

Potential Coverage Loss: 6,000 customers

Coverage Loss

Altogether, these proposed changes could result in the loss of **\$620 million (48%)** of premium tax credits to Coloradans and a potential loss of coverage for **112,000** Coloradans **(43% of Marketplace customers)**.
