● Average Wait Time ● Average Handle Time

| Visual | Measure | Definitions |
|---|---|--|
| | Month Over Month Comparison Calculation | <p>Example to Compare March to April: Start with the March Effectuations from the Medical Effectuations by Month visual; Add the April New Medical Enrollments from the New & Termination Medical Effectuations by Month; Subtract the March Term Medical Enrollments from the New & Termination Medical Effectuations by Month. This will give you the April Medical Effectuations.</p> <p>Note: The calculation New Medical Effectuations and Terminated Effectuations may not add up to the Monthly Medical Effectuations due to Overlapping Coverage Dates.</p> |
| Customer Center Service Metrics | % of Calls Answered | This represents the Average Speed of Answer (ASA) as a percent of calls answered within 180 seconds from February – October, and 300 seconds from November – January during Open Enrollment. Note: Prior to March 2020, this measure was based on 300 seconds for all 12 months. |
| Customer Center Service Metrics | Average Handle Time | The average amount of time, rounded to the nearest second, spent by Call Center Representatives on each individual call. |
| Customer Center Service Metrics | Average Wait Time | The average wait time, rounded to the nearest second, for each incoming call to the Call Center. |
| Medical Effectuations | Medical Effectuations | Count of unique individuals who have submitted an application, were deemed QHP Eligible and selected a medical QHP, and the month's premium payment was received and acknowledged by the Issuer. As this is a "net" number, terminations and cancelations are subtracted. |
| Medical Effectuations | Medical Target Effectuations | Target based on approved fiscal year budget. |
| New & Terminated Medical Effectuations | New Medical Enrollments | New Effectuations have an Effective Start Date during the month. As an example, if an Individual is Effectuated in January - March, then Terminates on March 31st, re-enrolls and is Effectuated June 1st, they will be in the New count for both January and June. |
| New & Terminated Medical Effectuations | Term Medical Enrollments | Terminated Effectuations have an Effective End Date during the month. As an example, if an Individual Terminates their enrollment January 31st, they will be counted as a Termination in January and will not be counted as an Effectuation in February. |
| Service Center Calls per Plan Submissions | Ratio | This is the ratio of Total Customer Service Calls (C4HCO Customer Operations and Faneuil) per Gross Medical Submissions. This is count of all individuals that click Submitted for a QHP for the month. |
