I've explained the benefits and limitations of coverage and advised my client not to terminate any existing coverage until receiving written notice that the coverage being applied for under the new program has been approved. I understand that I have no right to bind this coverage, or to alter terms of the insurance.

11 AGREEMENT AND SIGNATURE

As a company principal/corporate officer, having authority to contract with KFPCO and KPIC, I agree that:

- Prepaid monthly premiums will be posted to Kaiser Permanente's account by the due date on the Kaiser Permanente billing statement.
- My company will use employee enrollment application forms provided or approved by KFPCO and KPIC for new employees.
- The eligibility data provided by my company to Kaiser Permanente will include coverage effective dates for my company's employees that correctly account for eligibility in compliance with the waiting period requirement in the Affordable Care Act and federal regulations, which require that waiting periods not exceed 90 days. My company acknowledges that the effective date of coverage for new employees and their eligible family dependents won't exceed the waiting period established by my company.
- My company will abide by the contract provisions.

Full Time Equivalent employees is calculated by counting the number of people who worked an average of 30 or more hours per week. Then add to this amount the number of hours worked per week by non-full time employees divided by 30. You may exclude seasonal employees that work 120 days or fewer per year.

Domestic Partner Coverage

- Coverage for state-registered (civil union) domestic partners is included in all small group plans. If children of the insured employee are covered, children of state-registered domestic partners are covered on the same basis.
- Employers may choose to provide coverage to domestic partners who are not registered with the state. If "Yes" is selected in section 3D, and children of the insured employee are covered, children of non-state registered domestic partners are covered on the same basis.

Kaiser Permanente is not advising on whether or not the law requires coverage for these individuals. Please seek guidance from your counsel on dependent coverage obligations.

I attest that my company meets the definition of "small employer" as defined by applicable federal and state law. I have a minimum of one W-2 employee (excluding the owner, spouse, or legal domestic partner) and attest that the minimum participation requirement of eligible employees are covered by group coverage. I agree to abide by the Kaiser Permanente deductible funding policy, which doesn't permit directly funding or reimbursing employees for any deductibles, coinsurance, or copays, except for our designated HRA plans, in accordance with the federal tax laws for HDHP/HSA plans.

I attest that my company isn't participating in a large group trust and agree not to participate while enrolled under Kaiser Permanente small business coverage.

I understand that a Summary of Benefits and Coverage (SBC) for each of my medical plans is available at business.kp.org. I agree to provide my eligible employees with SBCs for any plan(s) I have chosen or change to in the future.

I understand that if I have an authorized agent/broker of record, then the agent/broker and their support staff currently on file with Kaiser Permanente will have access to my group-specific information. They're able to service my organization and to act or change group information on my behalf. Access to my account.kp.org group account will be granted to my agent/broker who can delegate authority to their support staff. This information may include, but is not limited to, renewal notices, group agreements, rates, benefits, and protected health information (PHI).
