

Referral Specialist Certification Training

Referral Specialists work or volunteer for a Referral Partner Organization that is part of the Assistance Network. The Referral Specialist facilitates Health Insurance enrollment referrals while providing education on health care and financial assistance, including Connect for Health Marketplace and premium/cost sharing reductions; Colorado Connect and SilverEnhanced Savings; and Health First Colorado/CHP+. Referral Specialists do not assist with eligibility or enrollment applications but rather refer to Certified Assistants and/or Brokers for support with this process. Referral specialists will be able to print the required documents, but they must be signed electronically for certification.
