Expect more... Smile more

Why do our members smile? Because they know they can trust us to provide more. More exceptional dental benefits. More unparalleled expertise. More useful plan resources. And more access to the country's largest dental network. Oh, and a commitment to helping local communities too. Delta Dental does more. More dentists, more choices, more cost savings.

DELTA DENTAL®

In the Community

Delta Dental of Colorado's commitment to serving communities across Colorado has guided our nonprofit mission for more than 65 years. Our community impact efforts are complemented by our foundation's philanthropic activities. We believe our collective efforts will improve the well-being of all Coloradans and make social impact on oral health across the state. Driven by our environmental, social, governance culture and the philanthropic impact of our foundation, our dedication to making a difference in the health of our community is woven into every facet of what we do.

The Delta Dental of Colorado Foundation works to improve oral health equity so that every person can have a healthy mouth regardless of life circumstances. The foundation works with partners state-wide to provide innovative oral health support for our neighbors with the most to gain, advancing oral health equity through community-based grants, engaging with organizations across the state, and supporting policy and systems change. Confirmed Complaints

7

People complain to the Colorado Division of Insurance (DOI) about things like claims handling, cancellation of a policy or a premium refund. In a "confirmed complaint," the DOI decided the insurance company did not follow the state insurance law or regulation, a federal requirement, or the terms and conditions of an insurance policy or certificate they sold. Confirmed complaints come from people in all group sizes, not just individual plans like those available at Connect for Health Colorado.

Consumer Complaint Index

The complaint index shows how often people complain about their health insurance company compared to other companies. These numbers are adjusted for the size of the company and how many policy holders it has in Colorado. A company's total number of complaints divided by its total premium income for a specific insurance product is the complaint index. The average is 1.0. An index less than 1.0 means less people complained about **Delta Dental** than other companies.
